Cane Bay, St. Croix, US Virgin Islands.

CANE BAY

On the lush North side of St. Croix in the US Virgin Islands sits Cane Bay, an area rich with white sands, turquoise waters and a vibrant barrier reef teeming with sea turtles, coral, stingrays, tropical fish and more.

Houses dotting the hillside boast shutters, louvres and open fretwork that serves as a backdrop for everyday living. This sliver of tropical paradise is the source of inspiration behind our latest collection, Cane Bay. We hope you will love it as much as we do.
