Sonoma by Panama Jack is today's answer to consumer desire for a classic cottage feel with updated finish and style details. The popular wire-brushed Antique Weathered White and Gray two-tone finish on Poplar solids and Birch and Mindy veneers adds the element of sophistication to this casual lifestyle look. True form cottage/bungalow design elements of soft rounded corners, simple molded doors and drawers, and tapered turned feet make Sonoma by Panama Jack perfect for any environment.

The collection includes an Upholstered Bed that is a statement piece for any master bedroom. Softened by its arched molded Upholstered Headboard and round edge framed Upholstered Footboard, the design is punctuated by silver nail head trim on both the headboard and footboard.

The complementary pieces, including the Dresser, Mirror, Chest and Nightstand, capture today's lighter color trends with the exterior sides, drawer and door fronts in Antique Weathered White and the tops in wire-brushed Gray with sand color undertones. Silver metal rings and knob pulls add a distinctive touch of class.

DINING ROOM

SONOMA

BY PANAMA JACK®

The Sonoma Dining Room group continues the collection's theme in finish and design throughout each piece. There are two tables available, namely a Trestle Dining Table (shown above), and a Counter Height Storage Dining Table (page 6). The Trestle Dining Table is a spacious and more formal dining option, which features a block and bow trestle Base design with supporting stretcher finished in Antique Weathered White. Its two-toned Top, finished in wire-brushed Gray with sand color undertones and Antique Weathered White apron, adds dimension and balance to the overall aesthetic. Space for more seating can be added with the insertion of an 18" leaf.

Arm and Side Chairs provide comfortable upholstered seating with vertical slat backs and shaped top with hand rail for easy moving. The Credenza adds valuable storage space behind four doors and within three top drawers, all lined with felt for storage protection. Round Silver metal pulls and smooth Silver knobs grant access to the storage areas. Affording multiple configurations, the Sonoma dining group invites conversation and enhances mealtime enjoyment with family and friends.
